

BERGAMOT

- TYPE:** Perennial
- SUN:** Full Sun to Partial Shade
- HEIGHT:** 24 inches
- GROWING IT:** Moist, organically enriched soil.
- PARTS USED:** Leaves and flowers.
- HARVEST:** Leaves should be picked and dried before plant flowers. Pick flowers when open.
- CULINARY:** Leaves can be used as a tea, and give a distinct Earl Grey flavor. Can be also added to salads or fruits. Flowers can be added to salads for a wonderful splash of color.
- AROMATIC:** Leaves and flowers have a citrus scent, can be used in potpourris and sachets.
