

HYSSOP

- TYPE:** Perennial
- SUN:** Full Sun
- HEIGHT:** 24 inches
- GROWING IT:** Average, well drained soil. Prune back hard in early spring to prevent the bush from becoming straggly.
- PARTS USED:** Leaves.
- HARVEST:** Pick leaves as needed.
- CULINARY:** Culinary applications are a matter of taste. Use sparingly. Can be used in salads, soups, stews, sausage, meats, fruit desserts, wine, and teas.
