Shady Corner Garden

Alternative Selections

- A Hosta** - Always a shade garden winner.
- B Ligularia** - Very attractive mounding habit with yellow blooms.
- C Daylily** - Fragrant and extended blooms make this an exceptional bloomer.
- D Heucherella** - Flowers bloom for 8 weeks over beautiful mounded foliage.
- E Hosta** - Makes a beautiful accent in shade gardens.
- F Sedum** - Easy to grow fall bloomer. Loved by butterflies.
- G Sweet Woodruff** - Fragrant white groundcover. Attractive foliage.
