Stauffers of Kissel Hill reserves the right to disqualify any participants determined to be tampering with or abusing any aspect of the Stauffers School Rewards program. If, for any reason, the Stauffers School Rewards program cannot be conducted as planned, either by reason of infection by computer virus bugs, tampering or unauthorized intervention, fraud, technical failures or any other cause beyond the control of Stauffers of Kissel Hill or if there is any issue to affect the administration, security, fairness, integrity or conduct of this program, Stauffers of Kissel Hill reserves the right, in its sole discretion, to modify or suspend all or part of the Stauffers School Rewards program.

(4) Stauffers School Rewards Payout Method

At the end of this earning period Stauffers of Kissel Hill will mail each school a check by May 1, 2021, in the amount that it earned. The check will be payable to the organization and mailed to the contact name and address listed on the application. When the program is over, all participating schools will receive a check for the amount they earned.

Stauffers of Kissel Hill will rebate up to 1% of the purchases made in the schools' names with a maximum donation of \$20,000.00 total to all enrolled schools. If the amount to be rebated to all schools exceeds \$20,000, your school will get a pro-rated percentage of the \$20,000 based on the total all purchases linked to your school. Example: The total amount of purchases in all the Schools is \$3,000,000 and School A has accumulated \$60,000 in purchases, $\$60,000 / \$3,000,000 = 1\%$ of all purchases in all schools' names, School A will receive 1% of \$20,000 or \$200.

Due to our concern for customer privacy, Stauffers of Kissel Hill will not provide you with name of customers enrolled for your school; however, if requested, we will tell you the number of members enrolled. Stauffers of Kissel Hill cannot give each customer a report of Stauffers of Kissel Hill donations in their name due to the large number of households involved.
