

Thank You Letter to Supporters

Dear Supporters:

The 2020-2021 Stauffers School Rewards Program has come to an end. Thank you for a successful fundraiser. Your efforts helped our school raise \$_____. This year we intend to use the proceeds to _____.

Your Stauffers Signature Rewards ID will remain linked to our school for the 2021-2022 Program and will be designated as such until you change it in your preferences on your account page within your Stauffers Signature Rewards account. Please encourage your family and friends to participate next year! We would greatly appreciate the support.

Again, thank you for taking the time to register your Rewards ID in support of our school.
